Miracles

What's the difference between magic and miracles?

When we pray to God and ask for Him to do a miracle, why doesn't He always do it?

Talk about how much bigger God is than any problem we ever face and what to think about when we ask for miracles, see miracles, or when the miracles we pray for don't happen.

Pray

God made you, He loves you, and He cares about everything that's going on around you. Talk to God about every problem you face.

Thank

When you see a miracle, remember God's big, strong power made it happen. Thank God, worship Him for it, and tell others about it so they can also be thankful for God's great power!

Trust

When a miracle doesn't happen, we can trust God is still powerful. His ways are too amazing and complex for us to understand, He sees everything, and He knows what is best for us.

“O ... LORD! You made the heavens and earth by your strong hand and powerful arm. Nothing is too hard for you!”

Jeremiah 32:17 NLT
