

Konnect: Invisible World

“Miracles”

Sunday May 3/2020

NOTE TO PARENTS

We are so excited that you have decided to lead your children spiritually today! We hope that this will be an amazing time for your family.

Today's lesson has five different parts.

- 1) Opening Question
- 2) Bible Reading
- 3) Video Lesson (17mins)
- 4) Prayer and Reflection
- 5) Family Activity

Included in this lesson is also a **Bible Point** and **Bible Verse**. They are repeated numerous times in this lesson. Be encouraged to reinforce them in your time at home together this week.

Bible Point:

“I believe God is bigger and stronger than any problem.”

Bible Verse: Jeremiah 32:17
Oh...Lord! You made the heaven and earth by your strong hand and powerful arm. Nothing is bigger than you.

Set-Up:

Encourage your family to come together somewhere you have access to the internet and a screen.

This is necessary to watch the bible video. Then lead each part of the lesson.

Each part is numbered to help you stay organized.

① Opening Questions

Together as a family spend a few minutes discussing this question:

Q.1- “What would you do if you had a robot butler?”

Q.2- “What jobs would you have your robot butler do?”

Q.3- Do you think there is anything your robot butler would be unable to do?

Make sure everyone in your family has a chance to answer.

② BIBLE READING

Now is your opportunity to lead your family through some scripture reading. Encourage each child to go get their bible.

Give them 30 seconds to get their bible and get back to the couch.

*Parents- This is an amazing opportunity to learn how accessible their bibles are on a daily bases.

-Ready-Set-Go

Once everyone has returned have everyone look up the bible verse:
Jeremiah 32:17

One at a time each member of your family will read this verse from their bible. Or, if children can't read parents can simply read it.

(If there are four people in your family this verse should be read four times.)

After reading the bible verse:

Q4- "What is too hard for God to do?"

Share 1- As a family try to determine one big family obstacle that you need God's help with.

Once you've finished reading the verse and answering the question carry on to part 3!

③ Video Lesson

Using the provided link play the Konnect HQ video.

You will have fun chatting about it after the video.

Encourage your children to do the bible verse motions when the Konnect crew leads them.

Once the video ends move on to Part 4.

⑤ Family Activity

Using the activity supplement provided have a conversation later this week about miracles.

How much of this lesson did you and your children retain?

It's always good to have a little refresher.

Don't forget to pray as a family! Ask the Lord to help your family in the areas you acknowledged in part 2.

④ Prayer and Reflection

*Parents- Pick someone in your family to facilitate this conversation. It could be an adult or older child.

Say: "It can be hard to understand why God works one miracle and not another, but His way is greater than our way. No problem is ever too hard for Him."

The bible verse we learned today reminds us of God's great power. Let's say it together before we chat more about our video.

Jeremiah 32:17

Oh...Lord! You made the heaven and earth by your strong hand and powerful arm. Nothing is bigger than you.

Q.5- "What is a Miracle?(An unusual or wonderful event caused by the power of God.)

Q.6- "What are some reasons we can trust God with our problems. Make a list"

Q.7- "The Bible tells us God's ways are higher than our ways. What do you think that means?" (God created the world and knows what is best for everyone one it. Etc)

Q.8- "What was good about Jesus waiting for Lazarus to die instead of going to heal him right away" (Brought more attention honour etc. to Jesus.)
